Description

These are 5-yard kilts constructed of a heavy-weight (16 oz.) 80/20 wool/cotton blend fabric that is comfortable and long wearing. Less weight makes this kilt the perfect choice for walking, sporting or social activities where the more substantial 8 yard kilt might be heavier than you wish.

You can be sure that there is nothing casual about the kiltmaking employed in this kilt!

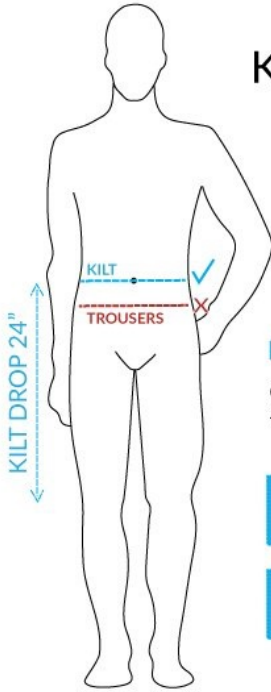

Kilts are custom made to size with adjustable leather side-straps so you have room if you need it. Belt loops to fit a 2.25" belt.

Standard 24" length, other lengths available.

Note: Please read measuring instructions carefully and be accurate as possible before submitting. Because these are custom order, there are NO refunds on kilts.
