Description

The kilt pin is a piece of jewellery that is usually worn on the lower corner of the outer apron of a kilt. Its function is to prevent the apron falling or blowing open, by adding weight to the outer apron and is commonly seen as a form of decoration. It does not pin the outer apron to the inner fabric, which is a common misconception.

Our kilt pin is a Scottish Claymore sword with a Thistle pommel and the Knights Templar Crest badge on the blade. It is cast in one piece and has a pewter finish.
